YOU'RE ONLY AS GOOD AS THE COMPANY YOU KEEP

You mean what you say and you invest the same from others. When we talk about our quality, performance, reliability and durability, we stand behind our words as an ironclad warranty. Whatever the tough challenges you face every day, with Baldwin, filtration won’t be one of them. Baldwin has what it takes to be your one-source filter provider to keep your equipment running and your job on schedule.

QUALITY

When it comes to protecting your engine, you don’t settle for anything but the best. Neither does Baldwin. Every phase of production, from raw material purchase to final inspection, is designed to ensure the highest quality and performance standards.

SERVICE

Getting an honest answer is important to you. Baldwin agrees. We wake your trust and work hard to provide the support and answers you deserve. With the largest and most experienced field sales and support team in the industry, Baldwin has your back.

AVAILABILITY

Quality and high performance are not enough Baldwin delivers. With an extensive distribution network and an unmatched factory fill-rate, you can trust Baldwin has the filters you need, when and where you need them.

WHATEVER THE CONDITIONS

No matter how hard the job or how tough the conditions, Baldwin will make sure you can get the job done on time. With an in-depth understanding of the heavy-duty construction industry and a relentless focus on innovative filtration technologies, Baldwin has a full range of filters to keep all major equipment brands running at peak performance.
